

# Letter from the Editor

A new year brings thoughts of a new season to all of us golfers in **Kansas City**. We start gearing up with all the new product announcements from the PGA Merchandise Show in January, then get to see a lot of it in person at the Kansas City Golf Show in February. Kansas City Golf Tournament & Travel is a media partner for this year's event, set for Feb. 22-24 at the Overland Park Convention Center. You'll find all the details on tickets, hours, activities, exhibitors and coupons at [www.KansasCityGolfShow.com](http://www.KansasCityGolfShow.com)

**Lots of opportunities** to see professional golf are coming up in 2013. In addition to the Senior PGA Championship May 21-26 at Bellerive Country Club in St. Louis featured in this issue, the U.S. Senior Open is at Omaha Country Club July 18-24. Go to [www.2013USSeniorOpen.com](http://www.2013USSeniorOpen.com) for information. The Midwest Classic will bring the Web.com Tour back to LionsGate in July, and another LPGA veterans skins game is planned at Leawood South in October – more info later on those.

**If you need new equipment,** how about a putter with your favorite school logo?

Roger Twibell's LogoPutter company produces a sweet-striking putter that's been a favorite gift for businesses and for tournaments. You can find Mizzou, KU, K-State and Wichita State putters in Rally House and Kansas Sampler stores – and if you want to order custom putters for your company or event, email Roger at [logoputter@gmail.com](mailto:logoputter@gmail.com)

**Swope Memorial** has a new fleet of Precedent Club Cars. While the new carts don't offer GPS, Swope will have yardage books and a free GPS smart phone app available in March, according to General Manager Matt Roberts.

Please feel free to let me know about news at your course or anything golf-related. Email me at [cvchapman@aol.com](mailto:cvchapman@aol.com)
