

Get **LogoPutter** on your team!

LogoPutter takes a great deal of pride in our college and business partners; their success becomes our success. We would be remiss if we didn't recognize the outstanding season that the *Shockers of Wichita State University* are enjoying right now.

After their run to the Final Four last season, the Shockers are undefeated on the season heading into their game Tuesday night against Bradley. WSU is currently ranked #2 in the country and they are the only undefeated major college team in the nation.

Schools around the country have used LogoPutter to connect with alumni and fans at their golf events or simply as gifts of thanks throughout the year.

We also work with golf and country clubs to help them in their search for unique, affordable and quality gifts for their membership. Currently, we are working with Mission Hills Country Club in Mission Hills, KS as they gear up to celebrate their centennial anniversary.

The club plans to hold a series of events throughout this year, and are thrilled to offer its' golfers **LogoPutters** and head covers with their centennial logo proudly displayed.
