

*What they are saying about **LogoPutter** ...*

We hope your summer has been a good one and that you've been able to play a lot of golf. At **LogoPutter** we've had a very busy and productive summer adding new clients and expanding our business.

We are excited to be involved with a number of charity events including the local ALS tournament hosted by Tom Watson. We donated 3 **LogoPutters** which raised over \$600 in the silent auction.

We've gotten a lot of positive feedback from clients and I wanted to share a couple of those with you.

***"We host our annual Transportation Team Golf Tourney here at Michigan and in looking for a unique gift, one that related to golf, we thought the logo putter was a great idea. Feedback from our guests who received them has been great."*** Hunter Lochmann, Senior Associate Athletic Director and Chief Marketing Officer, University of Michigan

***I wanted to let you know that the putters have been a huge hit. Our donors, coaches and team store love them!! I will be making an additional order – we will be on our third round of orders. I appreciate the great customer service and let me know if you have any new products. GO RED WOLVES!!*** Terry Mohajir Director of Athletics, Arkansas State University

One other note, as we move into fall, we are eliminating the "minimum" number from the order form. So if you need just one putter with a custom logo, we can take care of that for you. We'll be making some changes to the web site during the fall to reflect this. In the meantime, if you have any questions, please don't hesitate to contact me directly at [logoputter@gmail.com](mailto:logoputter@gmail.com) or call me at (913) 831-9577.

On a personal note, I made my sixth hole in one at my home course, Mission Hills Country Club in Mission Hills, KS, which just reinforces my motto that I'd rather be lucky than good, as there is no other way to explain it.
