

LogoPutter Gives Schools a Big Win....

Shawnee Mission, KS - **LogoPutter** has been working with colleges and universities throughout the Big 12, Missouri Valley, Sun Belt and Division 2 to promote school pride and loyalty. Bookstores, college golf courses and local shops have all experienced a tremendous response to **LogoPutter**.

We can use your logo, graphic or even a photograph to create a completely custom putter that will represent your school, sponsor, organization or event in an innovative way.

Our face balanced mallet design produces a consistent roll and gives your alum or client a quality putter with a great looking logo at a very reasonable price.

Production time is short. Once an order is placed, we can deliver the putters to you within two weeks. All putters come with our **LogoPutter** head cover free of charge. Custom head covers are available for a nominal charge. You can even mix and match! Put your school on the putter and your sponsor on the head cover.
